

SBH CLUB MEETING MINUTES

April 6, 2011

Dave opened the meeting promptly at 7pm with a cowbell.

Minutes of March meeting were posted and approved.

A new member introduced himself.

PRESIDENT'S REPORT: Party Pardee very successful as reported by Steve although some riders missed the yoga mats, potatoes and other music. Overall many, many compliments, even a handwritten note, Kathy concurred. One suggestion regarding the 2 accidents was to have a first aid station; however, there are first aid kits in all sag wagons and at the main event.

Spring Blitz had 63 people. Dinner on the 27th. Jim will be MC.

Club Picnic: Sharyn will chair July 9.

Other Events: Bike the Bridges to benefit Special Olympics June 12. Fresno Classic Century May 21. Actually can ride the freeway for 10 miles as it is closed to traffic.

VICE PRESIDENT'S REPORT: Rick gave out hats or license plate frames for those who found a sticker under their chair. He has speakers lined up for future meetings.

MEMBERSHIP REPORT: 702 members according to Mike

RIDE COMMITTEE: Sylvia reports that Paulette has posted that Patty's Th night rides start at 6:00, not 6:30 as printed. However, Dale has volunteered to be ride leader on many Tn night rides which previously had none and his will be 6:30. All but 3 men's jersey's are sold. Please use Ride Board to sign up and lead rides and check for "Hot Updates."

OLD BUSINESS: Jackie reported on the continuing efforts to finish the Rails to Trails from Placerville to Folsom.

Club voted to increase from \$100 to \$500 the contribution to Pedal Safe.

Need volunteer to chair the Banquet for 2012.

5/19 is Bike-to-work Day. Rick will set up at capitol, but need volunteers to man the tent.

Dave urged all remaining trophies be picked up.

Larry reports that Patriot's and Carmichael Bike Shop have lots of club apparel.

Irene reports that Carmichael Parks and Rec is selling tickets to a River Cats game on May 19 (\$2 beer night)

Jim K. reports that Performance has opened up in Roseville.

James Broderick, the Chair for the Comprehensive High School Coalition "Environmental Committee" spoke briefly on his concern for school districts to take into consideration proximity of pedestrian and bicycle transportation before they close schools. One suggestion was SABA. James is the parent of 3 and sees the congestion at school with picking up and dropping off of kids from cars. He reckons that Sac City will win the prize for most vehicular emissions.

Meeting adjourned at 8 pm.

Respectfully submitted,

Pam deBarruel
